

PRODUCT INFORMATION

DRIVE TRAIN TRANSMISSION OIL

Valvoline Drive Train Transmission Oil (DTTO) is a heavy duty powershift transmission and drive train lubricant designed and recommended for applications requiring oils meeting the Caterpillar TO-4 specification and Allison C-4 (Off-road applications) specification or in any other equipment in which TO4 is called for. **Valvoline DTTO** also meets performance requirements of Komatsu equipment, Komatsu micro clutch, where TO-4 is called for in Dana Powershifts, Eaton Fuller, and Tremac/TTC equipments.

Valvoline DTTO is formulated from premium base stocks and a select additive system to meet the requirements of Caterpillar TO-4 specification and Komatsu equipment. It provides elastomer and friction material compatibility, while guarding against gear wear, rust, corrosion, foaming, and oxidation. It provides wear control and extreme pressure performance. It is designed for transmissions and drive trains only and should not be used as engine oil.

DRIVE TRAIN TRANSMISSION OIL ADVANTAGES

- Provides elastomer and friction material compatibility, while guarding against gear wear, rust, corrosion, foaming, and oxidation.
- Provides wear control and extreme pressure performance.

PERFORMANCE LEVEL	
CAT TO-4 and TO-4M	
Allison C4	
Komatsu KES 07.868.1 (2002)	
API MT-1	

Typical properties:

Typical Properties characteristics are based on current production. Whilst future will confirm to Valvoline specification, variations in these characteristics may occur.

Typical Characteristics			
SAE Grade	10W	30	50
Viscosity @ 40 °C	42	94.32	220
Viscosity @ 100 °C	6.6	11.34	19.3
Viscosity Index	109	107	96
Specific Gravity @ 60 °C	0.871	0.876	0.888
Flash Point (COC) (°C)	222	238	256
Pour Point (°C)	-35	-28	-15

This product is not likely to present any significant health or safety hazards when properly used in recommended application and good standards of personal hygiene are maintained. Reference is made to Safety Data Sheet (SDS) which is available on request via your local technical or sales representative.
